Proceedings:

Day 1

With formal welcome of the resource person Dr. Tapesh Chandra Gupta professor of commerce from government J. Yoganandam Chhattisgarh College, the 5 days orientation program for professors and assistant professors started on 12 September 2023 at conference hall of Rusa Bhawan (block-D) at the college.

Welcome address was given by the program in charge Dr. Maneesha Mahapatra, professor of sociology. Topic of the orientation program was introduced by Dr. Ushakiran Agrawal IQAC coordinator. The topic of this day was about civil service rules 1965 which was adopted by the Chhattisgarh state in the year 2000. The expert spoke about the fundamentals of civil services by clearly defining the civil servant by the nature of its appointment. The code of conducts mentioned for the well-functioning of administration and the responsibilities of being a civil servant. The protocol and hierarchy in civil services rules was also elaborated by the expert. Followed by the queries the session was ended with a thanks giving note by Dr. Gautami Bhatpahari.

Day 2

Information about holiday rules was given in the second day orientation program at Government Dudhadhari Bajrang Mahila Mahavidyalaya, Raipur on Wednesday. Chief speaker Dr. Tapesh Chandra Gupta said- "Leave is not a right but a convenience." Leave rule is applicable from 1 October 2010: This rule is applicable to regular/temporary officers and employees of the state. The right to leave (on arrival, return/before and after transfer) also applies to the service of appointment against transfer. The right to leave cannot be claimed. It depends on the sanctioning authority to grant leave. Leave is not valid for more than three years/during the period of absence. It will be considered as resignation letter.

There is a prescribed format for medical leave. During the period of attending orientation and refresher course, 45 days of duty leave is available. The meeting of the study board comes under the category of special holiday. If an officer applies and moves from one service to another, his leave gets added to that service. Rest leave is available for 10 days. Leave of more than 180 days cannot be granted at a time. There will be eligibility for continuous salary allowance during the leave period. Half pay leave is approved for both personal and medical reasons. In this way, short leave, half pay leave, extraordinary leave, leave for trainee, maternity leave, paternity, adoption, child rearing, family planning etc. Leave is provided to government employees and officers. Patron and Chair IQAC Dr. Kiran Gajpal, Principal said – Officers should be aware of Civil Service Conduct Rules. Program coordinator Dr. Maneesha Mahapatra welcomed the chief speaker and said that a long discussion on leave was necessary for professors and assistant professors. IQAC in-charge Dr. Ushakiran Agarwal said that leave should be taken only as per requirement. Dr. Rama Sarojini expressed gratitude.

Day 3

Gratuity, Provident fund and Pension are governments' welfare schemes for the government employees. The resource person discussed the conditions, system and calculation of above at the retirement of the government employees. The passbook and service book must be timely updated; the employees need to be aware of such things. The second copy of service book must be maintained and duly signed by the principal or higher authorities. He further said that with the help of karmic sampada (directorate of Funds Accounts and Pension, Chhattisgarh) any employee can view the status and records of his/her service. Dr. Maneesha Mahapatra welcomed the resource person Dr. Tapesh Chandra Gupta while Dr. Rashmi Minz Professor and HOD of home science faculty expressed gratitude on behalf of the participants.

Day 4

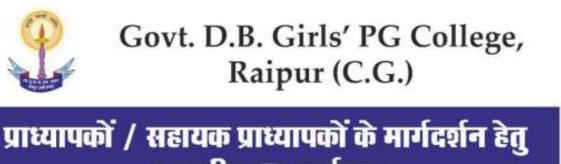

Today's orientation program was regarding salary determination and pension subject expert Dr. Tapesh Chandra Gupta said - Salary means the amount of money received every month by a government employee because of working on the post substantively or officiating or because of being in the cadre. We do not know the correct rules. Due to which the situation regarding salary remains unclear. Types of pay are Pay, Technical Pay, Special Pay, Personal Pay and Overseas Pay. Fundamental Rule 22-D is applicable for determination of pay on promotion as pay by the Government. This rule has come into effect from 1 April 1961. This rule is more prevalent. If any government officer has a court case, his salary will not be fixed. Until the court case is resolved. Pension is available on retirement after assuming charge. Pension will be available on compulsory retirement. In case of voluntary retirement, 17 years is mandatory and only then pension will be given? If the employee goes missing, then he/she is eligible for compassionate appointment and pension after 10 years. In case of dismissal, pension will not be given. Program patron and chair IQAC Dr. Kiran Gajpal described the program as necessary for the officers. Program in-charge Dr. Maneesha Mahapatra welcomed the keynote speaker and Dr. Neetu Harmukh expressed gratitude.

Day 5

At the concluding day of 5 days orientation program for Assistant Professors/Professors at Government Dudhadhari Bajrang Mahila Post Graduate College Raipur, resource person Dr. Tapesh Chandra Gupta said - If seniority is determined on the basis of equal marks, the one who is older on the basis of date of birth will be senior. Permanence or non-permanence of the appointment does not affect the seniority order. If salary for 180 days is not received then the seniority order and promotion is affected. College Principal Dr. Kiran Gajpal explains that this 5-day orientation program is useful for professors/assistant professors and considered that complete information regarding service rules is necessary. The chief speaker Dr. Tapesh Chandra Gupta was honored with a memento by Dr. J. N. Verma, Dr. Maneesha Mahapatra, and Dr. by Ushakiran Aggarwal. Program in-charge Dr. Maneesha Mahapatra conducted the program and Dr. Neetu Harmukh expressed gratitude. All the regular teaching faculty members of the college were present on this event.

Outcome of the event (at least 250 words):

The participants of this event were enlightened by the deep knowledge of the resource person Dr. Tapesh Chandra Gupta professor of commerce from government J. Yoganandam Chhattisgarh College, Raipur. The professors, assistant professors and newly joined assistant professors of the college were well acquainted with the topics selected for this orientation program. They were informed about the civil services rules, code of conducts of a government employee, leave rules, gratuity, pension and provident fund, salary fixation and related issues, seniority and selection process for promotion
