TEACHERS FEEDBACK ON CURRICULEM REPORT 2020-21

Teachers Feedback on Curricular Aspects

Content:

1. Objectives.

2. Survey Methodology.

3. Analysis of Survey.

4. Findings and Survey Results.

5. Action Plans.

6. Conclusions

1. Objectives-

The objective of this feedback on curriculum is to update our curriculum as per the needs and requirements for student's employability, higher studies or entrepreneurship. Institution conducts regular staff meeting and takes care to discuss every aspect related with curriculum planning and delivery in these meetings.

The objective of this teacher's feedback analysis is to collect data about the curriculum of college, we want to focus on career-oriented syllabus design.

2. Survey Methodology-

Curriculum related teacher's feedback are collected from the teachers in a systematic way by distribution of carefully drafted questionnaire from google form at the end of academic year.

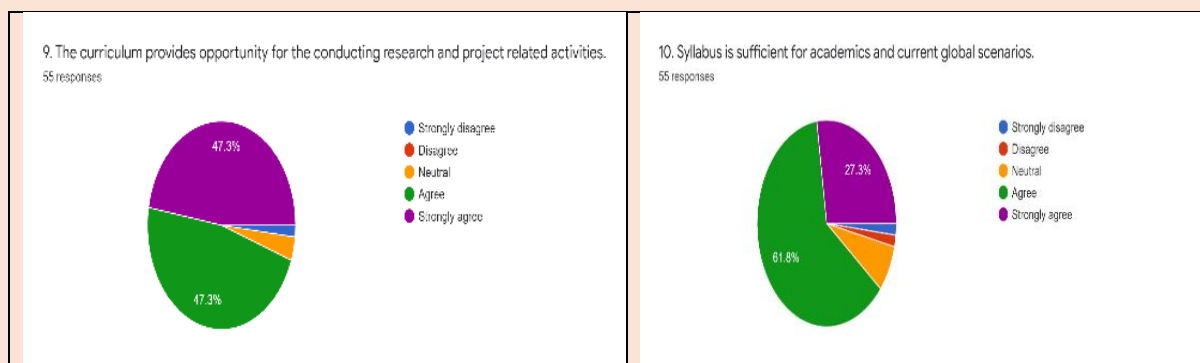

Feedbacks were analyzed by using a five-point rating scale. The maximum score is five and the minimum score is one, where five indicates strongly agree, four means agree, three indicates neutral, two indicates disagree and one indicates strongly disagree.

The analysis of feedback, questionnaire and the results are provided as follows.

3. Analysis of survey: -

Total no of responses that we received from google forms are 42 .

4. Findings and survey results: -

Professors of ten departments have responded. 31.7 % teachers are strongly agree that curriculum is as per the need of students .63.4% are agree , 61% teachers are agree with the fact that aims and objectives of the syllabus are well defined and clear .when its asked that the curriculum has the capacity to support the students for higher learning almost 50:50 response we received . almost 4 % teachers are disagree with the fact that curriculum meets with global scenario .

5.Action Plans –

Most of the professors are satisfied with curriculum. Institution conducts regular staff meeting and discusses every aspect related with curriculum. teachers attend faculty development programs for their own concept development and attend orientation and refresher courses for their own growth and understanding of subjects. We discuss curriculum, availability of books and other curriculum related problems and try to resolve it. we designed our curriculum which meets the needs of global scenario,

6.Conclusions

Feedback result are indicating that most of the teachers are agree that the curriculum is up-to date, need based & application oriented. Faculty encouragement in the learning process and the syllabus provides sufficient knowledge and perspective in the respective areas. Teachers are covering their syllabus in

time.

Sincere efforts are being made by faculty for syllabus coverage in class and also try to provide maximum learning materials, textbooks and reference books to students. Initiatives has been taken for conducting some value-added programs.
